Tufts Department of Drama & Dance is celebrating an overwhelmingly successful run of *Rent* with a talk by **Jim Nicola**, Artistic Director of the New York Theatre Workshop and a Tufts alum. Jim will be speaking about his career in theatre and will welcome questions from the audience. This event will take place in the Balch Arena Theater in the Aidekman Arts Center on February 21 at 1:00 pm.

Jim played an integral role in shaping *Rent* for production, working closely with Jonathan Larson and director Michael Greif. He's been involved in creating and staging innovative new work in New York for more than two decades. The New York Theatre Workshop developed the recent award-winning shows *Once* and *Peter and the Starcatcher*.
