From the Chair... Fall 2007

Allie Tichan, Dance Program Director, announces the dedication of the newly renovated Dance Lab, the former half of Jackson Gym. In mid-May, Prof. Janet Larson had her students perform in the Lab for the first time. This event was a tremendous success! The Lab now boasts a new dance floor, state-of-the-art sound system, and many other improvements. Parents, faculty, and students alike were thrilled with the new facility. The Lab is already being used regularly for classes, rehearsals, and performances.
